

*"The Hacienda is Rancho Valencia's answer to the presidential suite. This private, 5,000-square-foot adobe home is a luxe escape for an intimate honeymoon hideaway or a family retreat with wood burning fireplaces in each and every room and three separate master suites each with a private bath and outdoor patio. A full gourmet kitchen, cozy living room, private pool and lush gardens are the cherry on top of this home away from home."*  
*-David Shipman, General Manager, Rancho Valencia*
