Casual and worldly, this fine dining venue at Rancho Valencia Resort brings both extraordinary and visionary skills to what might otherwise be merely country club cooking.

And classics still prevail:

Previous Silver Fork winners still worth their "metal" include Addison at The Grand Del Mar, Pizzeria Bruno, Carnitas' Snack Shack, George's Modern, Nine-Ten, Saltbox, Sushi Ota, Table 926, Tender Greens and Underbelly. We'd like to renew their earlier Silver Forks with a hallmark that says "Still Valid in 2013."
