

Gotta Drive It

Take a Spin in a Porsche

A new program at **Rancho Valencia Resort & Spa** in Rancho Santa Fe, Calif., allows guests to test drive a Porsche for free and on a first-come, first-serve basis.

The 45-acre luxury resort partnered with Porsche of San Diego to offer the program. Guests can borrow the cars simply by having a valid driver's license and current auto insurance. They can choose a 911 convertible, Panamera Hybrid or Cayenne GTS. Rancho Valencia's concierge can recommend areas for guests to explore, from Highway 101 to the beaches of La Jolla.

Rancho Valencia, which reopened in October 2012 following a \$30 million renovation, is the only hotel in California to offer Porsches to guests on a complimentary basis. ranchovalencia.com
